The Calita Hotel is located on the east side of the Rock, away from the Town, with the hotel having all rooms with sea views. |

Transport is virtually outside the hotel, provided by the local bus service, with taxis available.

Although only B&B, you can get a meal at the hotel, or eat at the local eateries in the village below the hotel.

To this end, it would be appreciated, once you have sighted this information, that those who wish to add or take their names off the list do so as soon as possible; this will enable us to have a firm idea (barring last minute compassionate cancellations) of who is on board for this Overseas Reunion, which will see us also travelling on the Ferry across to Tangiers for one day!

Regarding Ferry Services to Tangiers

The ferry now only runs once a week from Gib to Tangiers, however, we can just walk across the border and get a bus to Algeciras, or Tarifa, where the ferry service to Tangiers is hourly.

I have put a link to a bus time table on the main reunion page. The time table also shows other destinations, which may be of interest!

A Few Notes on Gibraltar 2015

Note 1 - Baggage allowance of 20kg permitted per person - **Cancels out the original £38 for each case!**

Note 2 - The original group cost **increased by £10 per person** because of a cancellation by Pete Lyver, although we gained considerably on no longer having to pay for baggage!

Note 3 - The group will sit together on the aircraft - preferably near the black box!

Note 4 - Because of the early flight, **with a booking in time of 2-3 hrs before**, will explore low-cost overnight accommodation close to the airport for those of us wishing to go into Transit accommodation!! of course, those taking cars will still need to book their individual car parking at the airport.

Note 5 - All initials shown as A on the Booking Confirmation, until full Passport names are requested by Renata, "My Vacations".

Note 6 - Final Payment (£349.00 Per Person) will be made through the Stinson Bank Account, and will be called for the beginning of Aug 2015.

Note 7 - **"My Vacations" have put on hold the cancelled flight/room for any take-up later on, although this is expected to be held only until Christmas.**

Note 8 - Travel/Health Insurance to be arranged on an individual basis.
