

A Word of Thanks

Hello,

Pete and Pat Stenning had invited me to stay in the guest house at Storrington for a few days, before meeting up with Colin and Maureen Simpson and motoring on to the reunion.

At some point Pete gave me a Spitfire pocket watch as a memento of times past - and present.

I'm sure that Pete, a generous man, intended it not to be from him alone but all of the 40th

I was very moved by the gift and am very fond of it and the memories endured
I would like to thank you all

yours
Boyd
