

Veterans Day RAF Cosford 2014

Each year RAF Cosford receives numerous requests for visits by RAF veterans or veterans' groups. Because of the training task being undertaken by the various training schools at Cosford, it has not always been possible to accommodate all visits on the specific day requested. We appreciate that this can result in acute disappointment and hence, in order to offer an alternative date, Cosford will hold a Veterans' Day on **09 May 14**. It may also be possible to arrange additional visits (see below for contact details of Mrs Kirkland).

Typically, morning or afternoon visits involve a short brief, followed by a tour around a couple of the Avionic and Mechanical Training Squadron hangars; starting at either 1030 or 1330 hrs, they last approximately 2 hours. The timings aim to allow those who so wish to subsequently/previously obtain lunch at, and/or visit, the RAF Museum Cosford (RAF Cosford is unable to provide catering facilities but there is a good cafeteria in the Museum).

Groups or individuals wishing to apply for a place(s) on the Veterans' Day should write or email to the addressee below and provide full contact details.
