IN LOVING MEMORY OF DAVE LOWE

Dear Shirley,

To say we were all deeply shocked and saddened, perhaps angry also; on hearing the tragic news about Dave does not even begin to explain our feelings at this time.

Our thoughts are with you, someone we regard as a true friend - along with all the extended family. We know how terribly important the family was to Dave as he shared this with us and it was obvious his expert DIY skills were greatly valued.

Dave was such a warm person and along with you, added greatly to our reunions with his commonsense approach to life - displaying wisdom in all matters. For example, when it was suggested we hold the reunions every 2 years he rightly said; it needs to be every year as none of us know how long we have got - sadly, he was perfectly right on this! Only recently, he questioned the hotel chosen for our Malta reunion next year and was proven right by the adverse feedback of those who had stopped there. We are now actively choosing another, thanks to Dave.

We always looked forward to you and Dave arriving at our reunions; somehow we just knew they would turn out wonderfully well with both of you present, which they always did. Please keep in touch as it goes without saying, you are always welcome at any of our reunions.

Special thanks to Jacqui for informing us on all matters.

Steve Lister, Chairman 40th Entry Reunions.
